Hockey Contract Ice is a program exclusively designated for those individuals that seek private or small-group lessons from an instructor. This is also known as Drop-In Hockey Lessons. Each participant, including the instructor, is required to pay \$12 to gain access to the rink. Coaches and players negotiate their own rates for the lesson. Players and coaches are required to check-in at the customer service desk, print their name (legibly) and pay. In the event of multiple coaches on the ice, they will be required to share the ice in a fair and equitable fashion. If you are seeking a professional instructor, please contact Todd Finner at 630-670-3395 or tfinner@bensenville.il.us.

Price: \$10R / \$12NR
