

Northern Business District Reconstruction Project - Phase II (SSA 9) Open House

Date: Wednesday, May 8, 2013

Time: 3:00 until 5:00 pm

Location: 1010 Foster Avenue

We are excited to inform you that after nearly a two year delay the Village of Bensenville along with its team of John Neri Construction, A-Lamp Concrete Contractors and Civiltech Engineering will reconvene with the construction improvements in Special Service Area (SSA) 9 this upcoming summer.

Please join us for a informational meeting regarding this project . This is a great opportunity learn about the upcoming project and ask any questions you may have.

For more information please contact Joe Caracci, Village of Bensenville 630-350-3435 or Dave Bugaj, Civiltech Engineering 630-878-7635.
